## **Our Origins**

Mar Augustine Kandathil towards the end of his administration of the Archdiocese of Ernakulam-Angamaly dreamt of a general hospital where the patients can experience the model of healing founded by Jesus. His successor Cardinal Parekattil in the very first year of his administration founded this hospital and entrusted its services to the patronage of St Theresa of Lissieux from which the name Lisie comes. Lisie Hospital reflects the holistic healing initiated by Jesus

## **Our Nature**
